

# PHILLIPS EXETER ACADEMY

Dear Academy community,

I write to you today to inform you that former math instructor Szczesny (Jerzy) Kaminski pleaded guilty this morning to multiple felony charges of sexual assault perpetrated against a former Exeter student. Per the plea agreement reached with the Rockingham County District Attorney, he was sentenced to serve a minimum of 12 years in prison and was immediately remanded into custody.

I am sharing a joint statement from the survivor and the Academy, which was also provided to members of the media.

We are relieved that Kaminski is finally being held accountable for his crimes and the harm he has caused. The survivor demonstrated much courage in coming forward, and we will support her in every way we can as she moves forward from this painful chapter.

Sincerely,

William K. Rawson '71; P'08
