Tell me, where is the road
I can call my own,
That I left, that I lost
So long ago?
All these years I have wandered,
Oh when will I know
There's a way, there's a road
That will lead me home?

After wind, after rain,
When the dark is done,
As I wake from a dream
In the gold of day,
Through the air there's a calling
From far away,
There's a voice I can hear
That will lead me home.

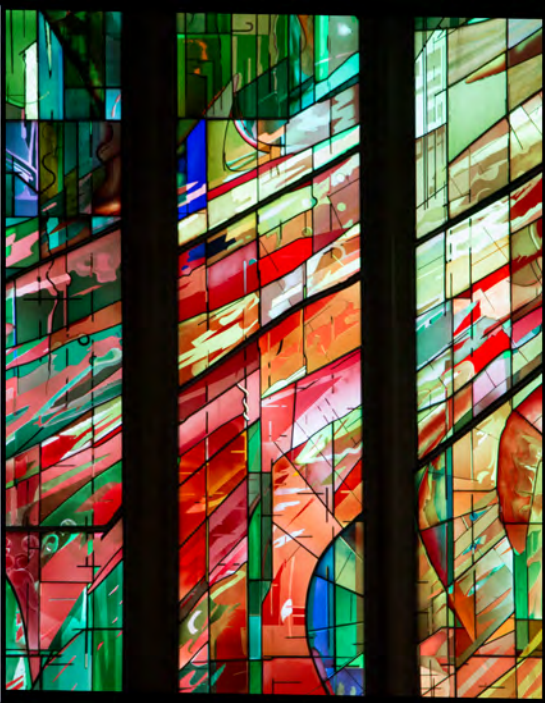

Rise up, follow me,
Come away, is the call,
With the love in your heart
As the only song;
There is no such beauty
As where you belong;
Rise up, follow me,
I will lead you home.
