## Phillips Exeter Academy

has a long tradition of academic excellence and dynamic instruction. Our intensive, one-week programs for secondary and middle school teachers provide enriching professional development in a variety of subject matters. Most programs provide an introduction to Exeter's signature Harkness method of instruction.

Spend a week living, learning and finding inspiration with peers and mentors on our campus in New Hampshire's scenic Seacoast region.

*See next page for the list of programs.*

## **Anja S. Greer Conference on Mathematics and Technology**

[www.exeter.edu/mat](http://www.exeter.edu/mat)

Mathematics teachers focused on the impact and applications of technology in the classroom will select two from dozens of courses offered. Featured speakers and optional mini-sessions are offered throughout the week.

## **Biology Institute at Exeter**

[www.exeter.edu/bie](http://www.exeter.edu/bie)

Biology, life science and environmental science educators will explore phenomena-based instruction in biology through the lens of equity and inclusion. The institute includes labs, classroom work and field trips.

## **Environmental Literature Institute**

[www.exeter.edu/eli](http://www.exeter.edu/eli)

Work with fellow educators in the environmental humanities, both in the classroom and beyond. Reflect on the current conversations in this field while gaining exposure to new ideas and materials to help build and refine your own curriculum.

## **Writers' Workshop**

[www.exeter.edu/ww](http://www.exeter.edu/ww)

Explore what it means to be a teacher who writes and a writer who teaches. Participants will workshop their own writing, discuss literature and develop new classroom strategies. Work focuses on finding voice, personal narratives and student-centered teaching.

## **Exeter Diversity Leadership Institute**

[www.exeter.edu/edli](http://www.exeter.edu/edli)

Teachers from all disciplines will acquire new methods for leading efforts in diversity, equity, inclusion and belonging. Participants will develop goals for the next academic year and tools to guide lasting change in schools.

## **Exeter Humanities Institute**

[www.exeter.edu/ehi](http://www.exeter.edu/ehi)

Explore the student-centered Harkness method of teaching, as taught by Exeter's experienced instructors. Geared to secondary school English and history teachers, each summer the conference features a core topic to guide the content and focus for discussion.
