

Math 1 Changes Summer 2024

Note that the numbers below refer to the 2024–2025 edition, unless followed by a ('23) in which case they refer to the 2023–2024 edition.

| | |
|-----|-----------------------------------------------------------------------------------------|
| 43 | added reference to factoring |
| 98 | changed boys/girls to cats/dogs |
| 105 | italicized “continuous”, added to reference index |
| 109 | removed italics from “texting” |
| 110 | removed italics from “and” and “non”, added “between” to reference, small wording edits |
| 151 | edited wording, added a part, edited answer/commentary |
| 160 | new problem , factoring practice |
| 166 | edited answer |
| 176 | unitalicized and changed to small caps |
| 179 | added “function” terminology, edited reference |
| 180 | unitalicized words |
| 205 | new problem , factoring practice |
| 215 | adjusted diagram spacing effects from ('23) |
| 220 | added function wording |
| 237 | italicized “versus”, added to reference |
| 238 | moved earlier from #260('23) |
| 239 | edited commentary about open vs closed intervals |
| 247 | moved earlier from #261('23), added inequality question, edited answer/commentary |
| 248 | added question about functions, edited answer/commentary |
| 249 | added question about functions, edited answer/commentary |
| 254 | edited commentary |
| 255 | edited commentary |
| 258 | italicized “versus” |
| 273 | rephrased for clarity for students, edited answer/commentary |
| 281 | changed “sketch” to “graph” and edited commentary |
| 289 | added “By hand”, reworded for clarity |
| 292 | clarified wording |
| 294 | changed “sketch” to “graph” and edited commentary |
| 334 | italicized “percent error” and added to reference |
| 338 | unitalicized |
| 346 | reworded for clarity, added “By hand” |
| 391 | moved from #406('23), adjusted spacing from ('23) |
| 392 | unitalicized “click” |
| 395 | added terminology |
| 403 | adjusted diagram spacing |
| 404 | adjusted diagram spacing |
| 406 | added part d, edited answer/commentary, moved from #391('23) |
| 410 | new problem , introduces appendix and factoring methods |
| 412 | moved earlier from #554('23) |
| 421 | added part d, edited answer/commentary |

Math 1 Changes Summer 2024

| | |
|-----|------------------------------------------------------------------------|
| 424 | moved later from #411('23) |
| 425 | unitalicized |
| 430 | added part d, edited answer/commentary |
| 452 | changed names, edited commentary |
| 465 | added request for equations/variables |
| 473 | adjusted diagram spacing from ('23) |
| 476 | changed b and c, edited answer/commentary |
| 487 | reduced exponents of products, edited answer/commentary |
| 508 | edited for clarity, edited answer/commentary |
| 509 | unitalicized |
| 512 | edited spacing between #513 |
| 513 | added “by hand, make a table” |
| 523 | added “by hand” |
| 528 | swapped variable order in question |
| 551 | moved later from #501('23) |
| 568 | typo corrected in commentary |
| 569 | <u>edited</u> commentary |
| 577 | changed part d, edited answer/commentary |
| 578 | added more rows to table |
| 580 | adjusted diagram spacing |
| 581 | moved earlier from #825('23), italicized “equivalent”, added reference |
| 595 | reworded to combine #594-596('23), replaced #594('23) |
| 600 | unitalicized |
| 617 | adjusted diagram spacing |
| 630 | added part c |
| 641 | removed reference to #596('23) in commentary |
| 656 | changed “sketch” to “graph”, added mbox |
| 657 | changed “sketch” to “graph” |
| 658 | changed “sketch” to “by hand” |
| 666 | edited to say “by hand” |
| 667 | changed “sketch” to “by hand”, slight rewording |
| 668 | adjusted diagram spacing |
| 672 | deleted reference to graphing tool |
| 673 | changed “sketch” to “by hand” |
| 676 | edited to “by hand” |
| 683 | unitalicized, reworded for spacing |
| 688 | changed “sketch” to “by hand” |
| 689 | fixed formatting |
| 690 | added “plausible” |
| 691 | moved later from #519('23) |
| 696 | deleted x a function of y , edited answer/commentary |
| 696 | fixed typesetting typo |
| 708 | new problem , probability |
| 712 | edited wording |
| 717 | new problem , vertex form of quadratic |

Math 1 Changes Summer 2024

| | |
|------------|-----------------------------------------------------------------------------------|
| 723 | edited wording |
| 725 | referenced box plot problem |
| 734 | removed reference to #856('23) in commentary |
| 737 | combined with #736('23) |
| 739 | changed to V versus d |
| 778 | added parts, edited answer/commentary, for next year – discuss with #820 |
| 783 | deleted a sentence about graphing tools |
| 828 | moved later from #170('23) |
| 785 | added non-vertical to wording |
| 792 | unitalicized |
| 813 | wording edit, adjusted diagram spacing |
| 836 | fixed reference from #596('23) to 595 in commentary |
| 840 | added questions, edited answer/commentary |
| 845 | unitalicized “exactly” |
| 853 | removed part c, edited answer/commentary |
| 855 | new problem , quadratic inequalities |
| 857 | fixed square root typo in commentary |
| 862 | added non-vertical to wording |
| p.101 | added “between” to reference |
| p.101 | added reference to #725 in box plot definition |
| p.102 | added “complex number” to reference |
| p.103 | added “equivalent” to reference |
| p.103 | added “error” to reference |
| p.103 | added “extraneous solution” to reference |
| p.105 | edited “interpolate” definition |
| p.106 | added “percent error” to reference |
| p.110 | added “vertex form of an absolute value function” to reference |
| p.111 | added an appendix that teaches factoring methods |
| 196('23) | deleted , moved to supplement, removed reference from “model” in reference |
| 595('23) | deleted , combined with 595 |
| 596('23) | deleted , combined with 595 |
| 736('23) | deleted , combined with 737 |
| 854('23) | deleted , moved to supplement |
| 855('23) | deleted , moved to supplement |
| 856('23) | deleted , moved to supplement |
| p.109('23) | commented out “texting” from reference section |
