You will see your document(s) in the queue. Go to any public printer with your ID card to release.

The screenshot shows the PaperCutMF Web Print interface. The top navigation bar is green with the PaperCutMF logo on the left and the user name 'darchambault' on the right. A dark sidebar on the left contains three menu items: 'Summary', 'Recent Print Jobs', and 'Web Print', with 'Web Print' selected. The main content area is titled 'Web Print' and contains a descriptive paragraph: 'Web Print is a service to enable printing for laptop, wireless and unauthenticated users without the need to install print drivers. To upload a document for printing, click Submit a Job below.' Below this text is a green button labeled 'Submit a Job »'. At the bottom, a table displays a single print job in the queue.
