Please regularly check our website, www.exeter.edu/parents, for up-to-date information on any schedule updates or changes.

WEATHER ON GRADUATION DAY: While we prefer to hold commencement on the Academy Lawn as planned, if heavy rain and/or thunderstorms are forecast on the day of graduation we will move the ceremony indoors to the Thompson Field House and the luncheon following the ceremony to Rink A in the Athletics Complex.

That decision will be made early on that Sunday morning.

Please note that seating in Thompson Field House will be more limited than on the Academy Lawn.

If the weather forecast on June 2 is questionable, please visit www.exeter.edu/parents beginning at 8:00 a.m. on Graduation morning for updated information on the location of the commencement exercises and luncheon.
